## HOW DOES BACK TO SCHOOL REGISTRATION WORK?

1. Check the schedule above to find out what time you are scheduled to attend Back to School Registration.
2. **Make sure you bring the checklist that was provided to you in the Back to School Packet.** This checklist shows the different stations you will need to visit and what paperwork needs to be turned in at each station. The checklist will help you get organized before you attend registration and allow you to progress through the stations in a more efficient manner.
3. Return all materials/handouts/handbook pages with **appropriate signatures** to collection areas in the practice gym.
4. All fees and fines must be cleared from last year.
5. After turning in all required paperwork, you will receive your schedule from the counselors.
6. You will also be provided with a student ID for the 2010-2011 school year. While your ID is provided to you free of charge, it should be noted that if you lose your ID, a replacement fee of \$5.00 will be charged for each additional ID.
7. After you have completed all paperwork, **ONLY THEN** will you be allowed to purchase a parking permit.
