Let's Go With Lego's Robotic Project Competition

The Gifted and Talented program at Alkek Elementary would like to thank the Manager Dennis Deering from Lowe's in Kerrville for donating over \$100 in building supplies for the Lego program. The building supplies will be used to build a practice field for the robotic part of the FIRST® Lego® League competition. This is the first year Alkek Elementary will have two teams competing in San Antonio. Pictured are Teacher Kathy Teich, Assistant Manager Fernando Orvananos and Teacher Diane Shubert.
