

**Bandera Independent School District  
2011-2012 Electronic Communication System  
Employee Contract**

I am aware that:

- My use of the computer system is mainly for work-related issues, but some limited personal use is permitted as long as this use does not interfere with my job responsibilities, impose cost on the District, or use excessive bandwidth.
- My use of the computer system is not private and the District may monitor my activity on the computer system.
- I will be required to monitor student's computer use.
- I will be required to lock my workstation when not in use.
- I will be required to protect my password.
- I will not allow students to use my teacher/staff assigned computer.
- I will not bring personal computing devices (laptops, computers, tablets) to Bandera ISD facilities without the permission of the Superintendent.
- Video streaming and downloads are permitted only before and after school hours.
- Streaming sites like Netflix and Pandora are not permitted (including Internet radio).
- Social networking sites like Facebook are not permitted.

I have read the District's Electronic Communications System Policy and agree to abide to the conditions therein. I hereby release the District from any and all claims and damages of any nature, including data loss, arising from my use of, or inability to use, the District's electronic communication system.
