Student Transfer Information

Transfer Process

The parent/guardian of a nonresident student may request in writing to transfer into a Bandera ISD campus by completing an inter-district transfer application. An inter-district transfer application can be found on the Bandera ISD Web Site, www.banderaisd.net under the "Parent" option or at the Superintendent's Office located in the Bandera ISD Administrative Building.

Transportation/UIIL

Bandera ISD does not provide transportation for approved inter-district transfers. Transportation will be the responsibility of the parent/guardian.

Participation in UIL activities shall be in accordance with all applicable UIL regulations and Bandera ISD [Board Policy FMF(LOCAL)]. Parents/guardians of high school students should contact Bandera High School Administration and/or Athletic Director to verify if a student will be eligible for UIL participation.

Change of Residence

The parent/guardian of a nonresident student will need to notify the campus their student is attending and the Superintendent's Office of an address change.

A resident student who becomes a nonresident during the course of a semester shall be permitted to continue in attendance for the remainder of the year [Board Policy FDA(LOCAL)]. Transportation will be the responsibility of the parent/guardian. The parent/guardian will need to notify the campus their student is attending and the Superintendent's Office of the address change.

Approval of Transfer

Approval of a student's transfer request is based on program availability. Program availability is defined as the ability to accommodate additional students without adversely affecting staffing, class size, instructional delivery, facility space, support services, the overall budget, and the best interests of the District [Board Policy FDA(LOCAL)].

Revocation of Transfer

A transfer student must follow all rules and regulations of the District, including those for student conduct and attendance. Violation of the District's rules and regulations may result in revocation of the transfer agreement [Board Policy FDA(LOCAL)].

For more information concerning the transfer process contact:
Superintendent's Office
