AMENDMENT TO THE THEATRE PRODUCTION CONSTITUTION:

FUNDRAISING:

Theatre Pro will engage in fundraising primarily in the form of putting on plays. We charge for tickets to the shows done during the school year. We may have a breakfast accompanying one show and sometimes a dinner accompanying another show.

The money collected through the year pays for the future productions. We may pay for costumes, props, set pieces, special effects equipment, makeup, royalties, cd's, field trips, travel costs related to our traveling show, festival fees, a picnic for the group (in lieu of a banquet) etc.

Basically, whatever the theatre department needs which surpass the supply budget are paid for through the activity fund.

The students earn the money and all the money is put back into them in whatever way they need.
